ANNEXURE I TO THE NOTICE

EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013.

Item No. 5 and 7

The current Articles of Association of the Company were framed at the time of formation of the Company, as per the provisions of the erstwhile Companies Act, 1956. The Articles have been amended from time to time depending upon the need for changes in line with the regulatory /administrative requirements. With the enactment of the Companies Act, 2013, various provisions of the Companies Act, 1956 have been repealed and some new provisions have been added. In view of the same the existing Articles of Association of the Company need to be re-aligned as per the provisions of the new Act. In view of the fact that many of the provisions of the Companies Act, 1956 are still in force, the Board has refrained from replacing the existing Articles of Association with the new Articles of Association. The said exercise would be initiated as and when all the provisions of the Companies Act, 2013 are brought into force. In any case, due to the overriding effect of Section 6 of the Companies Act, 2013, the notified provisions of the Companies Act, 2013 would prevail over the Articles of Association. The amendments proposed to be made to the Articles are given in the draft resolution at Item No. 5 and 7 of the annexed notice and are self-explanatory.

In terms of Section 14 of the Companies Act, 2013, the consent of the Members by way of Special Resolution is required for alteration of Articles of Association of the Company.

A copy of the Articles of Association along with the proposed amendments is available for inspection by the Members at the registered office of the Company on all working days between 11:00 A.M. to 1:00 P.M. upto the date of this Annual General Meeting.

The Board of Directors recommends the resolutions set out at Item No. 5 and 7 of the Notice for your approval. None of the Directors, Key Managerial Personnel of the Company or their relatives are in any way, concerned or interested in the said resolution.

Item No. 6

The Equity Shares of your Company are listed on the Bombay Stock Exchange Limited (BSE Ltd.). In order to improve the liquidity of the Company's shares at the stock exchange with higher floating stock in absolute numbers and to make it more affordable for the small retail investors having interest, able to invest in the Company's equity shares, the Board of Directors of the Company considered it desirable to sub-divide the nominal value of each Equity Share and Unclassified shares having a present face value ₹ 100/- each into 10 Equity Shares of ₹ 10/- each, subject to the approval of the Members and all concerned Statutory Authority(ies).

The shareholders may please note that presently the nominal value of each equity share of the Company is ₹ 100/- per share and consequent upon the sub-division it is being divided into 10 equity shares of ₹ 10/- each. The date on which this sub-division would become effective, will be decided by the Board after obtaining the shareholder's approval, which will be notified through the Stock Exchanges.

The Board of Directors recommends the resolution set out at Item No. 6 of the Notice for your approval. None of the Directors, Key Managerial Personnel of the Company or their relatives are in any way, concerned or interested in the resolution except to the extent of their shareholding in the Company, if any.

Item No. 8

The members be informed that the Board of Directors of the Company in its meeting held on 26th December, 2014 has appointed Ms. Hema Renganathan as Manager of the Company with effect from 13th November, 2014 to 30th June, 2017 pursuant to Section 203 of the Companies Act, 2013 and rules applicable therein. However the appointment of Manager was not effective since the required approval from the shareholder of the Company has not been taken. Now the Board of Directors in their meeting held on 23rd March, 2016 have reconsidered the appointment of Ms. Hema Renganathan as Manager subject to approval of member of the Company pursuant to Section 196, 197 and 203 read with schedule V and all other applicable provisions of the Companies Act, 2013 and rules applicable therein.

MANAGEMENT DISCUSSION AND ANALYSIS :

(i) Industry Structure and developments :

The substantial excess capacity of industrial gases continues to exist during the year. Due to lower demand most of the large tonnage plants are underutilized. This has led to immense pressure on margins and future development plan of the Company.

(ii) Opportunities, Threats, Risks and Concerns :

Due to inadequate growth in the gas consuming industries, the demand of gases is adversely affected. The cost of production and logistics costs have been continually increasing with no corresponding increase in the sale price thus affecting our profitability.

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Bombay Oxygen Corporation Ltd.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

(k) Investments

Long-term investments are stated at cost, except where there is a diminution in value, other than temporary, in which case the carrying value is reduced to recognise the decline, by a charge to the Statement of Profit and Loss. Current investments are stated at lower of cost and fair value.

(l) Taxes on income

Current tax is determined on the profit for the year in accordance with the provisions of the Income Tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax assets and liabilities are recognized for the future tax consequences attributable to timing differences that result between the profits offered for income taxes and the profits as per the financial statements. Deferred tax assets and liabilities are measured using the tax rates and the tax laws that have been enacted or substantially enacted at the Balance Sheet date. Deferred tax assets are recognized only to the extent there is virtual certainty that the assets can be realized in the future. Deferred tax assets are reviewed as at each Balance Sheet date.

(m) Foreign currency transactions

Foreign currency transactions are accounted at the exchange rates prevailing at the date of the transaction. Gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies, are recognised in the Statement of Profit and Loss. Premium or discount in respect of forward contracts is accounted over the period of the contract.

(n) Provisions, Contingent Liabilities & Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognised as a liability but are disclosed in the notes. Contingent assets are neither recognised nor disclosed in the financial statements.

(o) Earnings per share

Basic and diluted earnings per share are computed by dividing the net profit after tax attributable to equity shareholders for the year, with the weighted average number of equity shares outstanding during the year.
